FINANCING FAQs

How much can I borrow?

You can borrow as little as \$2,000 up to \$15,500 for tuition. See the funding options for your program online at momentumatmorehouse.skills.fund.

Who is Skills Fund?

We're a team of higher ed, consumer protection, and student loan industry leaders. Our goal is to offer the best financing options for the best bootcamps and their students.

How do I repay my loan?

You have several options, including automated payments. If you choose an interest-only loan, you can make low, interest-only payments while you're in school and for three months after. Then you'll start making full payments (interest + principal). You can also make early payments without prepayment fees.

Can I cancel or decrease my loan? What happens if I get a scholarship?

We can't increase your loan amount after you apply. However, we can easily decrease or cancel your loan. To request a decrease or to cancel, just reach out to us! If tuition funds have already been sent, we'll follow your school's refund policy.

How can I learn more?

We can help! Visit us at momentumatmorehouse.skills.fund or email customertrust@skills.fund.

Will I qualify for a Skills Fund loan?

Qualification depends on credit profile. Applicants must be U.S. citizens or permanent residents with an established credit history & no outstanding educational loan defaults. Minimum credit requirements may vary by loan term. Skills Fund also offers cosigner options.

How do I receive my funds?

Skills Fund sends your tuition straight to your school. We keep you and your school updated throughout the process.
